

Chapter 4: Identifying Moral Issues and Ethical Dilemmas

Defining an Ethical Dilemma

Think of an ethical dilemma. Briefly outline the issues and relevant facts below. Ensure that you distinguish the 'right vs. right' dilemma that is presented.

To do this, choose ONE option below:

a real dilemma past or present in your school community.

one of the ethical dilemmas outlined thus far in this module.

an ethical dilemma that was outlined in one of the suggested Internet resources in Chapter 4.
