HOME PAGE – FLORIDA SCHOOL LEADER'S (FSL) WEBSITE

Our Goal: Every Florida teacher and leader is prepared, developed, supported and supervised by educators who make teaching better.

FSL PROFESSIONAL LEARNING SUPPORTS are for Florida educators (administrators – classroom teachers – instructional support staff) pursuing deliberate practice as a path to a research-based repertoire of highly effective Instructional and leadership proficiencies. Supports for facilitators, mentors, new teachers, substitutes, and aspiring educators are also provided.

Most content on this website is open access to all Florida educators, aspiring educators, and W.C. Golden program participants and partners. Your Single Sign-on (SSO) user name and password gives you access to a broad array of professional learning supports.

HOW THIS SITE SUPPORTS YOUR PROFESSIONAL LEARNING

1. **Top Menu Bar:** Content is provided in the eight broad learning clusters listed in the top menu bar found at the top of your screen (just below the FSL banner).
2. **Move your cursor** over a cluster title, click to go into that section, explore, and learn.

3. In the FSL Learning Library On-line Courses and Professional Learning Resources, select “Ethics.”

About Facilitation

Most on-line courses on this website are designed for independent study. However all FSL online courses and many resources are more effective where collegial learning processes support rigorous effort at implementation of learning.

Professional growth is deepened

THE FSL LEARNING LIBRARY

ON-LINE COURSES AND PROFESSIONAL LEARNING RESOURCES

Professional learning is a career-long practice for highly effective educators. The FSL website provides collections of on-line courses to support professional learning of Florida public school educators. Courses address learning needs of school leaders, instructional and support faculty, and aspiring educators.

Content in the Learning Library may be used for individual learning, incorporated into individual and school improvement plans, WCG leadership development programs, and with facilitation and evidence of implementation added, be used as part of a district's MIP component.
